IT RAINED BATS AND HAWKS.

Bats Blew Aboard the Ship from the East and Hawks from the West. The steamship Curityba, which arrived at New York the other day from Cuban ports, had a weird experience with winged things on her trip up the coast. When she was off Matanzas an tire 1200 acres of which it is believed moisture, piled the combers about her. roperty is eighteen miles west from Redwood City. is abundantly supplied On the blast came thousands of land with wood and water, and will at once birds and big bats. Mate Bregman become the seat of active oil developsays the bats literally covered the ship, roosting on all the rails. He says they appeared to be a "cross between a vampire and a squirrel." When the weathwere near enough to one of the Bahamas to venture leaving the ship.

A hundred or more miles off Florida the Curityba was visited by what the entiated these fowls from all others. seventh mate, who is English, declares was a flock of "heagles." The eighth mate says he believes they were and his men captured two of them, which measure, according to the new eagles or hawks or owls in the flock. ported the invasion of birds thus:

Florida, two hawks, much exhausted, the vessel's spars. One of the crew went aloft and secured the birds. On the following day a large number of birds were sighted; some flew near the steamer. Captain Hoppe shot one but failed to secure it as it fell into the water. Another in trying to alight fell into the funnel and was burned in the California St. furnace. All the birds appeared to be exhausted, and had evidently been blown off the land. The two captured birds are hawks of the species commonly known as fishing eagles."

> LECTURED IN BORROWED SUIT. That Is Why Dr. Hillis Made Odd Ges-

tures to Duluth Audience. Many people in the audience that recently greeted the Rev. Dr. Newell Dwight Hillis, pastor of Plymouth Church, Brooklyn, when he lectured in Duluth, Minn., were somewhat puzzled by the expressions that fitted across his face from time to time. His actions, too, particularly certain gestures, aroused some curiosity among the observing, and many wondered if he was braving an attack of illness to keep his hide a mountain.

engagement with a Duluth audience. There were only three persons in the church that knew the secret, and great as the general enjoyment of the lecture was these three had an enjoyment in it that was all their own. One was the manager of the local lecture bureal, and the other two were business men.

When Dr. Hillis reached Duluth he came jauntily attired in short trousers and polka dot stockings, hardly a fit outfit for the lecture platform. He had slipped a fishing trip into his lecture ltinerary, and he reached Duluth fresh from that sport. He expected to meet After work that day he took a f iend dwells an American who is better his baggage there and get from it the attire that goes with his lectures. It he returned nome about midnight, a any single individual in the world. This did not become certain until the audience was waiting that the baggage had "For more than forty years Mr. not come, and furthermore that it would not come in time to equip the The young man was almost dum- at Montevideo's port, having from a lecturer for that evening's appearance. One of the business men referred to offered to lend Dr. Hillis his dress suit. This relieved the situation. Now the business man is of heroic frame, though of about Dr. Hillis' height. When the doctor entered his borrowed suit a grave discrepancy was noticeable, though it was not so serious that it seemed likely an audience would see it in a large hall. The hour was late, so the party proceeded to the church, being joined by the second business man, to whom the situation was explained.

Not another soul in the audience noticed the misfit, and the people in the secret were congratulating themselves on their success when the lecturer began to warm up to his subject. As he led hen Macduff and the pig Barkis?" did so it became necessary for him to make a gesture, and he solemnly raised one hand aloft. With it came the costume, and the broad collar, expansive shirt bosom, and massive shoulders Laxative Bromo-Quinine Tablets cure a cold rose until they threatened to engulf the inone day. No cure, No pay. Price 25 cents. features of the lecturer. The three men in the secret at this caught the speaker's eye, and with one accord they furnish all material and pay from \$7 to shook their heads, indicating that such \$12 weekly.
